

Secret Electric Socket Stash

Pantene. Dandruff is not appetizing.

And that's exactly what we show. Salt shakers, in the design of a woman's head, were placed in bars, restaurants and canteens. When the salt shaker is shaken, salt crystals trickle out like dandruff. Or remain, as usual for saltshakers, lying on the woman's head. But the salt shaker also offers the solution - **Pantene Anti-Dandruff Shampoo**.

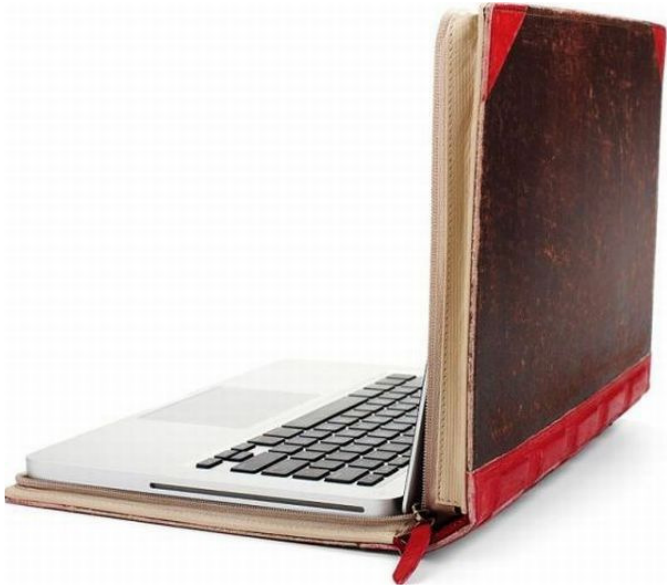

This toasts bread while you're slicing it.
